

# AMERICANS HELPING HANDS

## Certificate of Program Information

Effective date: August 18, 2025

Website: <https://americanshelpinghands.online>

This program packet summarizes public-facing information for Americans Helping Hands, a private charitable giving initiative reviewing applications from eligible USA applicants. It is intended to support website compliance, applicant understanding, and internal review.

### Program Purpose

To provide a structured application process for individuals, students, families, and small business owners who may be facing temporary financial hardship.

### Important Notice

This certificate is informational only. It does not verify tax-exempt status, does not guarantee assistance, and does not confirm approval for any applicant.

Submitting an application does not guarantee approval, assistance, or funding.

# Program Review Standards

Applications may be reviewed for completeness, applicant location, stated need, program guidelines, and available resources. Eligibility requirements apply.

## Reviewer Considerations

1. Applicant is located in the United States.
2. Applicant describes a temporary or current financial challenge.
3. Submitted information is accurate, complete, and reviewable.
4. Program guidelines and available resources allow further consideration.

## Applicant Responsibility

Applicants are responsible for truthful information. Incomplete, inaccurate, duplicative, or unverifiable submissions may be declined or removed from consideration.

# Privacy and Information Handling

Information collected may include name, phone number, email, state, occupation, stated reason for applying, additional details, and preferred payment contact tag.

## Use of Information

Applicant information is used for program review, eligibility evaluation, follow-up, and communication related to the submitted application.

## Security Notice

No website or email transmission can be guaranteed completely secure. Applicants should avoid submitting unnecessary sensitive information beyond what is needed for review.

## No Sale of Applicant Data

The program does not intentionally sell applicant information. Access should be limited to people involved in reviewing and administering the program.

## Terms, Contact, and Disclaimers

The program is not a government agency, lender, bank, or public benefits provider.

No application fee is required unless otherwise disclosed clearly in writing.

### Payment Preference Notice

Preferred payment tags are collected only to support follow-up if an application moves forward. Providing a tag does not guarantee payment, approval, or funding.
